

Plan Builder User's Guide

The *Plan Builder User's Guide*, a 170 page book was written by the developer of **Plan Builder**, David Stitt, and has been designed as the ultimate guide to successful use of this most impressive tool of financial planning.

This book has been published by IARFC Press as part of the new **Financial Planning Process™** curriculum, which now includes Plan Builder software.

Complete the form below and send it back to us to purchase your copy today. You may purchase copies for yourself and others in your office.
