**Hands On Training
(HOT) for
Practice**BUILDER****

This two-day program will involve you in the full utilization of **Practice Builder Financial**. You and your staff will operate a Practice Builder system on your own training computer. You'll be challenged to set up marketing campaigns, select and modify sequences, and explore all the capabilities of Practice Builder.

Optional: The two day program may be extended to a third day for more intensive practice time implementing the techniques learned from the basic two day program.
